

Spectators Welcome!

Free will donation for entry to watch the action!

The event will be held at Putnam Raceway Park on Friday May 29th and at Terre Haute Airport on Saturday May 30th.

This is a three segment event which includes Forgeline Hot Lap Challenge, Orange Cone Racing Autocross challenge and the Centerforce Cruise. We do not operate this event for profit; this is an event that gives back. Proceeds go to the Cancer Research Center of Lawrence Country. Our focus is to provide a safe and educational event for the Pro-Touring car enthusiast. We will have two celebrities, Al Unser Jr, multiple Indy League winner including a two time Indianapolis 500 winner & Robbie Unser former Indy Racing League driver and eight time winner of the Pikes Peaks International Hillclimb. Al & Robbie will be there competing at the event as well as offering photo opportunities & autographs if desired.

The high horsepower fun will begin on Friday with Forgeline Hot Lap Challenge. Putnam Road course is one of the best in the country; the 1.78 mile road course has 10 tire screeching turns laid out on beautiful landscape in Putnam, Indiana. The track is located 35 miles west of Indianapolis, Indiana.

Saturday the action will continue at the Terre Haute, IN Airport, with the Orange Cone Racing Autocross Challenge, with more than 5 acres of great pavement we are able to setup a one of a kind autocross that will be fun and challenging at the same time.

The event has been sold out for participants since early February. But spectators are welcome and it's free for all ages. (Free will donations are accepted) This is a rare opportunity to see cars from the East Coast to the West Coast, including cars from Canada as well. The cars range from a 1969 Camaro to a 2014 Stingray Corvette. These are the same cars that fans have seen on MAV TV, Optima Ultimate Street Cars, as well as several other national television shows and magazines.

Proceeds go to the Cancer Research
Center of Lawrence Country
